

Limited English Proficient Students Speaking Spanish

By Public School District

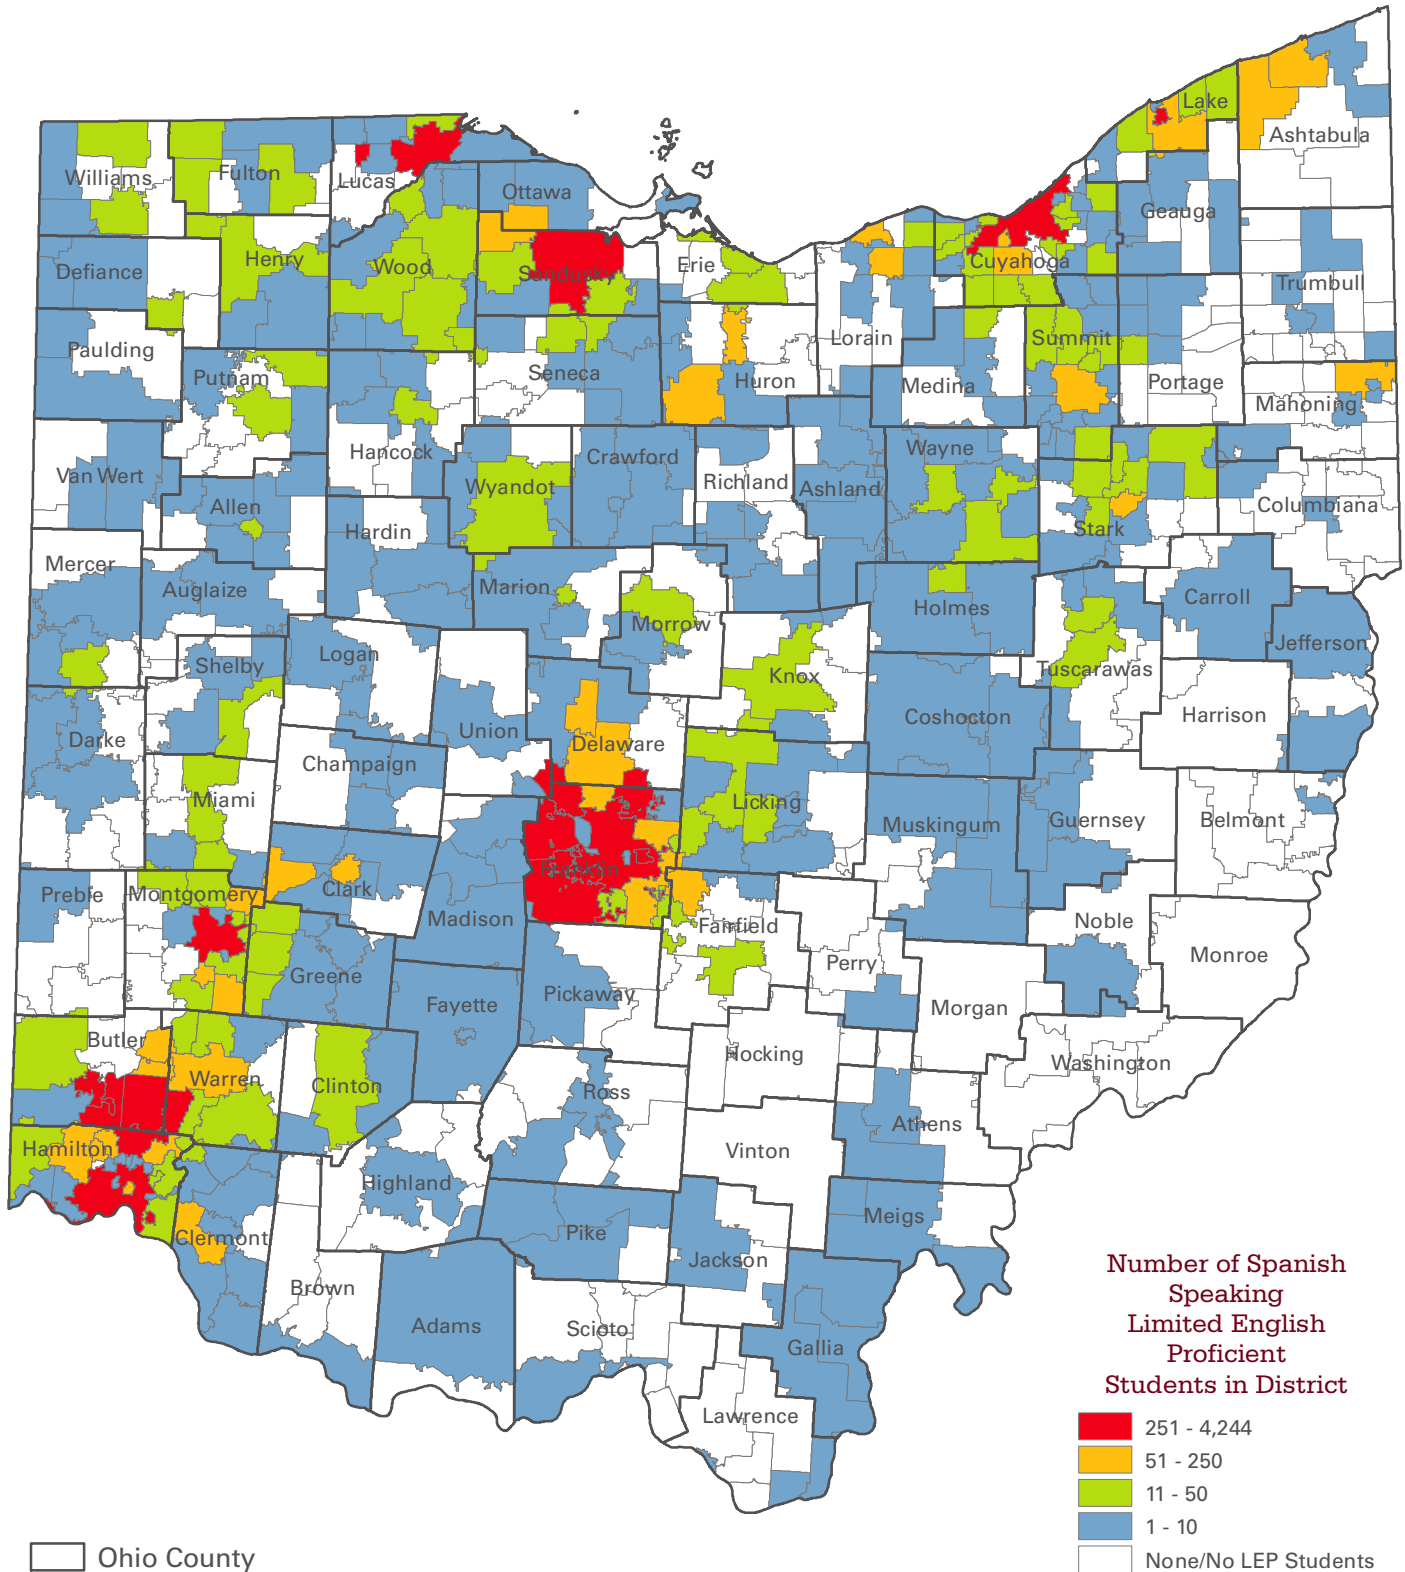

2008-2009

Department of Development

Ted Strickland, Governor
Lee Fisher, Lt. Governor

Lisa Patt-McDaniel, Director

Source: Ohio Department of Education

Prepared by: Ohio Department of Development,
Policy Research and Strategic Planning (January 2010)

This map shows the number of students in each district with any LEP (Limited English Proficient) code that speak Spanish. Only data for public and community schools are included. Numbers for community schools were combined with their enclosing public districts for display purposes.
